

Advertise in the CAECompanion – The direct way to the Customer

Just like the well known SafetyCompanion it features expert seminars and provides valuable engineering knowledge, labelled CAEWissen. More than 50 CAEWissen pages cover CAE relevant topics like functional development, material characterization or CAE technology in the automotive industry. The value added by these knowledge pages ensures that this publication receives the long term attention of its readers. With your advertisement you directly reach CAE experts in the automotive industry. In the popular pdf version we link your ad directly to your web page.

- 6,000 copies distributed
- more than 5,000 pdf-downloads per year
- more than 100 pages
- more than 50 „CAEWissen“ pages
- reference book for engineers
- free link to your online business presence
